CONSOUL TRAININ

The Cielo Sky Lounge resident reveals his weekend weapons of choice to get the dancefloor moving

01. CONSOUL TRAININ *Roses (D:Vision)*

This is my new track that's just come out on Italian label D:Vision. It's had support from a couple of international DJs so far, including Tiësto, Vanilla Ace, Faul & Wad Ad, Dirty Vegas, Joe T Vannelli, Horse Meat Disco and Freemasons. It's a new style for me, with a funky blues guitar and horns. I always wanted to make a track like this so I hope people like it.

02. L'TRIC *This Feeling (Neon Records/Positiva)*

When I first heard this, I thought it was really pumping stuff. It's got the piano riff from Underworld's *Two Months Off*, and the new vocals in this track fit perfectly and make the whole thing sound great.

03. LUCA GUERRIERI *Harmony (D:Vision)*

I think Luca's the next big name in the deep house community. This track's been supported by loads of DJs, and it's already been No.3 in the Beatport deep house chart. When I play this, everybody starts dancing. It's got the magic touch for the dancefloor.

04. NORA EN PURE FEAT PENNY FOSTER *Higher In The Sun (Nero Bianco)*

I respect Nora En Pure as both a DJ and a musician. She's really

got the summer feeling in her tracks – the piano riff, guitars and flutes go together perfectly and complement the heavy bassline riff. It's amazing.

05. WATERMÄT & TAI *Frequency (Spinnin' Records)*

I just can't wait for this track to be released. It's as much an anthem as *Bullit* was, when it was released last year. By the time you read this, I'll have supported *Watermät* at his Cielo gig here in Dubai. I'm very much looking forward to sharing the decks with him.

06. YEARS & YEARS *King (The Magician Remix) (Polydor UK)*

Years & Years are the next Duran Duran, in my opinion. Believe it or not, they sound exactly the same to my ears – the Duran Duran of 2015! I love all of their tracks, especially when a great producer like The Magician makes amazing remixes like this one.

07. DIRTY VEGAS *Save A Prayer (Luca Guerrieri Remix) (D:Vision)*

Yes, as you can tell, I'm a big fan of Duran Duran. Dirty Vegas did an incredible cover version of their song, and then Luca Guerrieri came along and made an outstanding remix of it for dancefloors! It's a huge peak-time track – try it.

08. MHE *Thrill Is Gone (D:Vision)*

The classics and blues are back! You'll know this track from B.B. King, but here's a house version that everybody will love. What do I mean? This track's been played by Steve Angello, Alesso and The Avener, amongst others, all from different styles of house music. This is, shall we say, 'united house'.

09. VANILLA ACE FEAT MARK B *Beautiful In Us (The Beatangers Remix) (CR2)*

I love the original version because it sounds very sexy and glamorous at the same

time. But The Beatangers have turned it into a dancefloor killer. This is a Miami banger, for sure!

10. KIESZA *Take Me To Church (Consoul Trainin Cielo Edit) (Free Download)*

Take Me To Church is one of the biggest tunes at the moment. To tell you the truth, I wasn't a big fan of the track at first, but when I heard Kiesza's cover I loved it. I loved it so much that I had to make an unofficial remix of it, which you can download for free from my Soundcloud page – soundcloud.com/consoultrainin.
